Question related to ☐ PPE Regulation ☒ EN/prEN: EN 149:2001 + A1:2009 ☐ Other:

Article: Annex: Clause:

Key words: Children

Question:

Is it possible as a result of EU type assessment of a half mask to allow the compliance to EN 149:2001 + A1:2009 when the half mask has been designed specifically for children?

Solution:

No, because EN 149:2001 + A1:2009 was written for adult workers and does not consider the risks related to children
